PLANETA

OVERVIEW

The history of Etna is studded with the historic eruptions which have shaped it. That of 1614 is legendary, lasting ten years and the longest ever recorded, halting just on the border of the vineyards of Sciaranuova. A name strongly evocative of our Cru dell'Etna; Carricante with a small addition of Riesling. High altitude black soils confer a fresh, savoury and mineral style.

WINE NOTES

Grape Variety

90% Carricante 10% Riesling

Vinification

Soft pressing; the decanted must is racked, inoculated with yeasts and fermented at 15 C in stainless steel; the wine remains on fine lees until March

Aging

Alcohol

13%
